

**GOVERNMENT OF BIHAR**

# **DISASTER RISK REDUCTION ROADMAP (2015-2030)**

**(DISASTER MANAGEMENT DEPARTMENT)**

**ROADMAP DEVELOPMENT PROCESS, STRUCTURE & CONTENT**

**Vyas Ji, IAS (Retd.)  
Vice Chairman,  
Bihar State Disaster Management Authority**

# PRESENTATION OUTLINE

- 1. Process of Roadmap Development**
  - a. Drafting of Roadmap
  - b. Validation workshop 8-9 January 2016**
- 2. Roadmap Structure**
  - a. Evolution of Disaster Management landscape in Bihar
  - b. Disaster Risk Profile of Bihar
- 3. Foundational Element of the Roadmap**
  - a. Resilience: the organising principle
- 4. Targets & Milestone**
- 5. Specific Action**
  - a. Resilient Village
  - b. Resilient livelihood
  - C. Resilient Basic Services
  - d. Resilient Critical Infrastructure
  - e. Resilient Cities
- 6. Enabling policy structure**
- 7. Implementation arrangement**
- 8. Monitoring and evaluation**
- 9. Reflection of Elements of the DRR Roadmap in Bihar development mission**

# 1. Process of Roadmap development- Phase I

3<sup>rd</sup> World  
Conference on  
Disaster Risk  
Reduction, Sendai

Adaptation of  
*Sendai Framework  
for Disaster Risk  
Reduction*

14<sup>th</sup>-18<sup>th</sup> March  
2015

Decision for Bihar  
Conference on Disaster  
Risk Reduction (BCDRR)

Constitution of  
Organising Committee

Mar-Apr-May, 2015

First BCDRR

13<sup>th</sup> -14<sup>th</sup> May,  
2015

Drafting  
Committee  
formed

18<sup>th</sup> May  
2015

Contd. ....

# SENDAI FRAMEWORK FOR DRR (2015-30)

1. Substantially reduce global disaster mortality by 2030, aiming to lower average per 100,000 global mortality between 2020-2030 compared to 2005-2015.
2. Substantially reduce the number of affected people globally by 2030, aiming to lower the average global figure per 100,000 between 2020-2030 compared to 2005-2015.
3. Reduce direct disaster economic loss in relation to global gross domestic product (GDP) by 2030.
4. Substantially reduce disaster damage to critical infrastructure and disruption of basic services, among them health and educational facilities, including through developing their resilience by 2030.
5. Substantially increase the number of countries with national and local disaster risk reduction strategies by 2020.
6. Substantially enhance international cooperation to developing countries through adequate and sustainable support to complement their national actions for implementation of this framework by 2030.
7. Substantially increase the availability of and access to multi-hazard early warning systems and disaster risk information and assessments to the people by 2030.

**Four targets (1-4) has been adapted in Bihar DRR Roadmap**

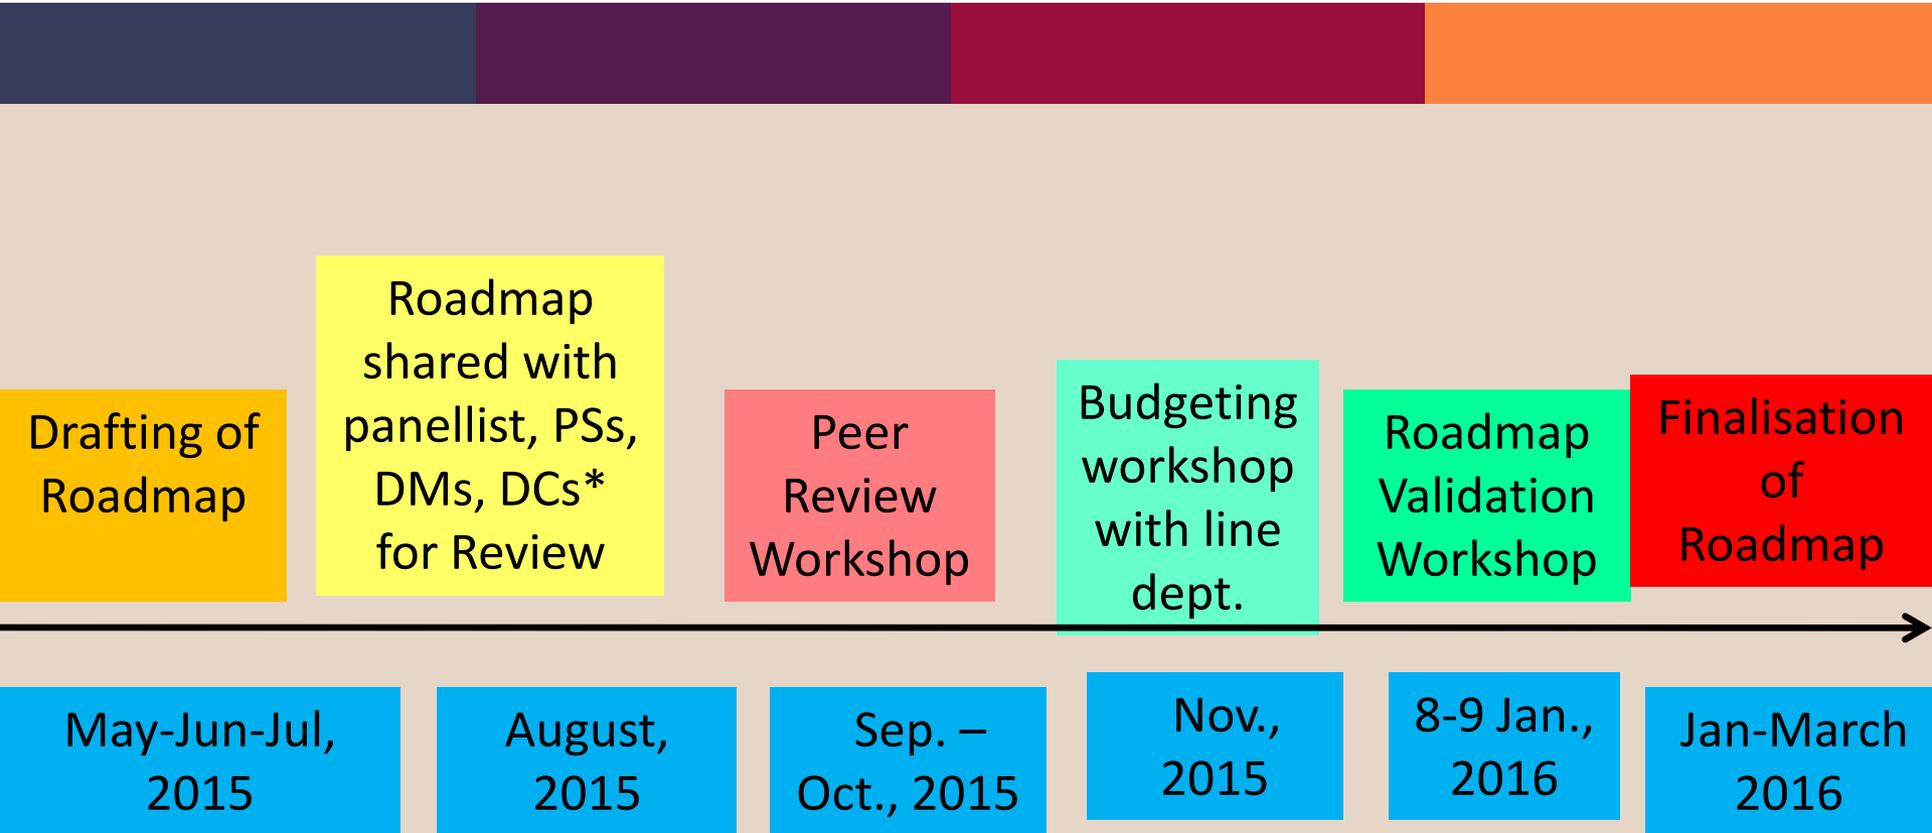

Contd. ....

# BCDRR (13<sup>th</sup> & 14<sup>th</sup> May 2015)

- Hon. Chief Minister of Bihar inaugurated the conference and released a 'Status Paper' on DM in Bihar
- 84 panellists and 550 participants discussed the issues and specific actions for Roadmap in 17 thematic sessions, which were anchored by 10 agencies from Bihar
- 18 papers submitted by experts and compiled as a compendium
- 'Patna Declaration' released by the Hon. Minister for Disaster Management

# Process of Roadmap development- Phase II

PS: Principal Secretary, DM: District Magistrate, DC: Divisional Commissioners

# 1 (a) DRAFTING OF ROADMAP

- The Drafting Committee, comprising members from DMD, BSDMA, UN Agencies, and Civil Society, met 15 times for deliberations on the Roadmap structure, framework and content
- Contributions were solicited and received from:
  - Newspaper advertisements,
  - Disaster Risk Management (DRM) Solutions Exchange community,
  - Panellists and Experts from BCDRR,
  - CSOs working in Bihar,
  - 18 Thematic Papers, and
  - Village Communities
- Drawing out learning from BCDRR sessions through analysis of session videos, session notes, and workshop report
- Review of pertinent policy and research documents in the state (MMV, Agriculture and Health Roadmaps, SDMP amongst others) and other relevant documents (such as Sri Lanka DRM Roadmap amongst others)

Contd. ....

## 1.b VALIDATION WOKSHOP: 8<sup>th</sup> & 9<sup>th</sup> January 2016

- Objective: To review the key chapters of the DRR Roadmap and provide specific changes for finalization of the Roadmap.
- Inauguration by Hon'ble Chief Minister.
- Valedictory by Hon'ble Minister, Disaster Management Department, GoB.
- 125 experts participating in 8 Technical Sessions on 8 key components of the Roadmap viz. Resilient Villages, Resilient Livelihoods, Resilient Basic Services, Resilient Critical Infrastructure, Resilient Cities, Enabling Policy Architecture, Roadmap Implementation Arrangements, and Monitoring and Evaluation Mechanisms.

# ... CONTRIBUTORS TO THE ROADMAP

**Panellists and experts**

**Officials from  
Government of Bihar**

**Members of the Civil  
Society**

**Members of UN  
Agencies**

**Village Communities**

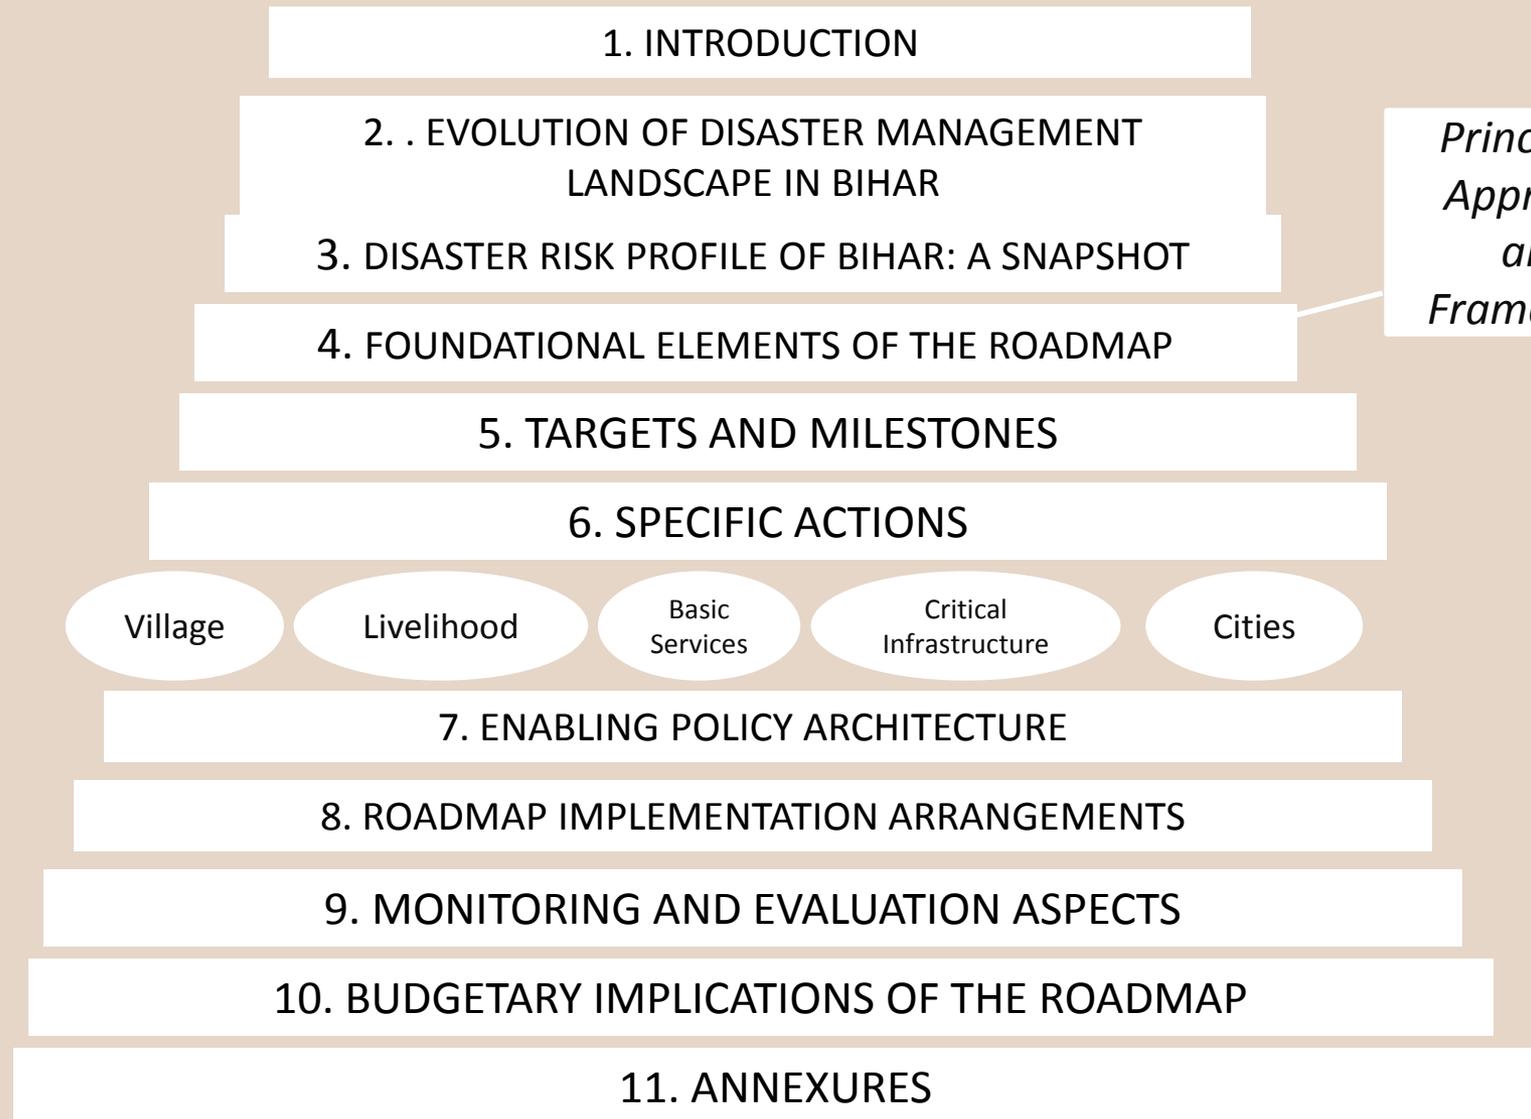

**Practitioners of DRM**

The logo for the Bihar DRR Roadmap 2015-2030 is a square composed of several overlapping triangles in various shades of purple, maroon, and orange. The text "Bihar DRR Roadmap 2015-2030" is centered within the square in a white, sans-serif font.

**Bihar DRR  
Roadmap  
2015-2030**

**Citizens of Bihar**

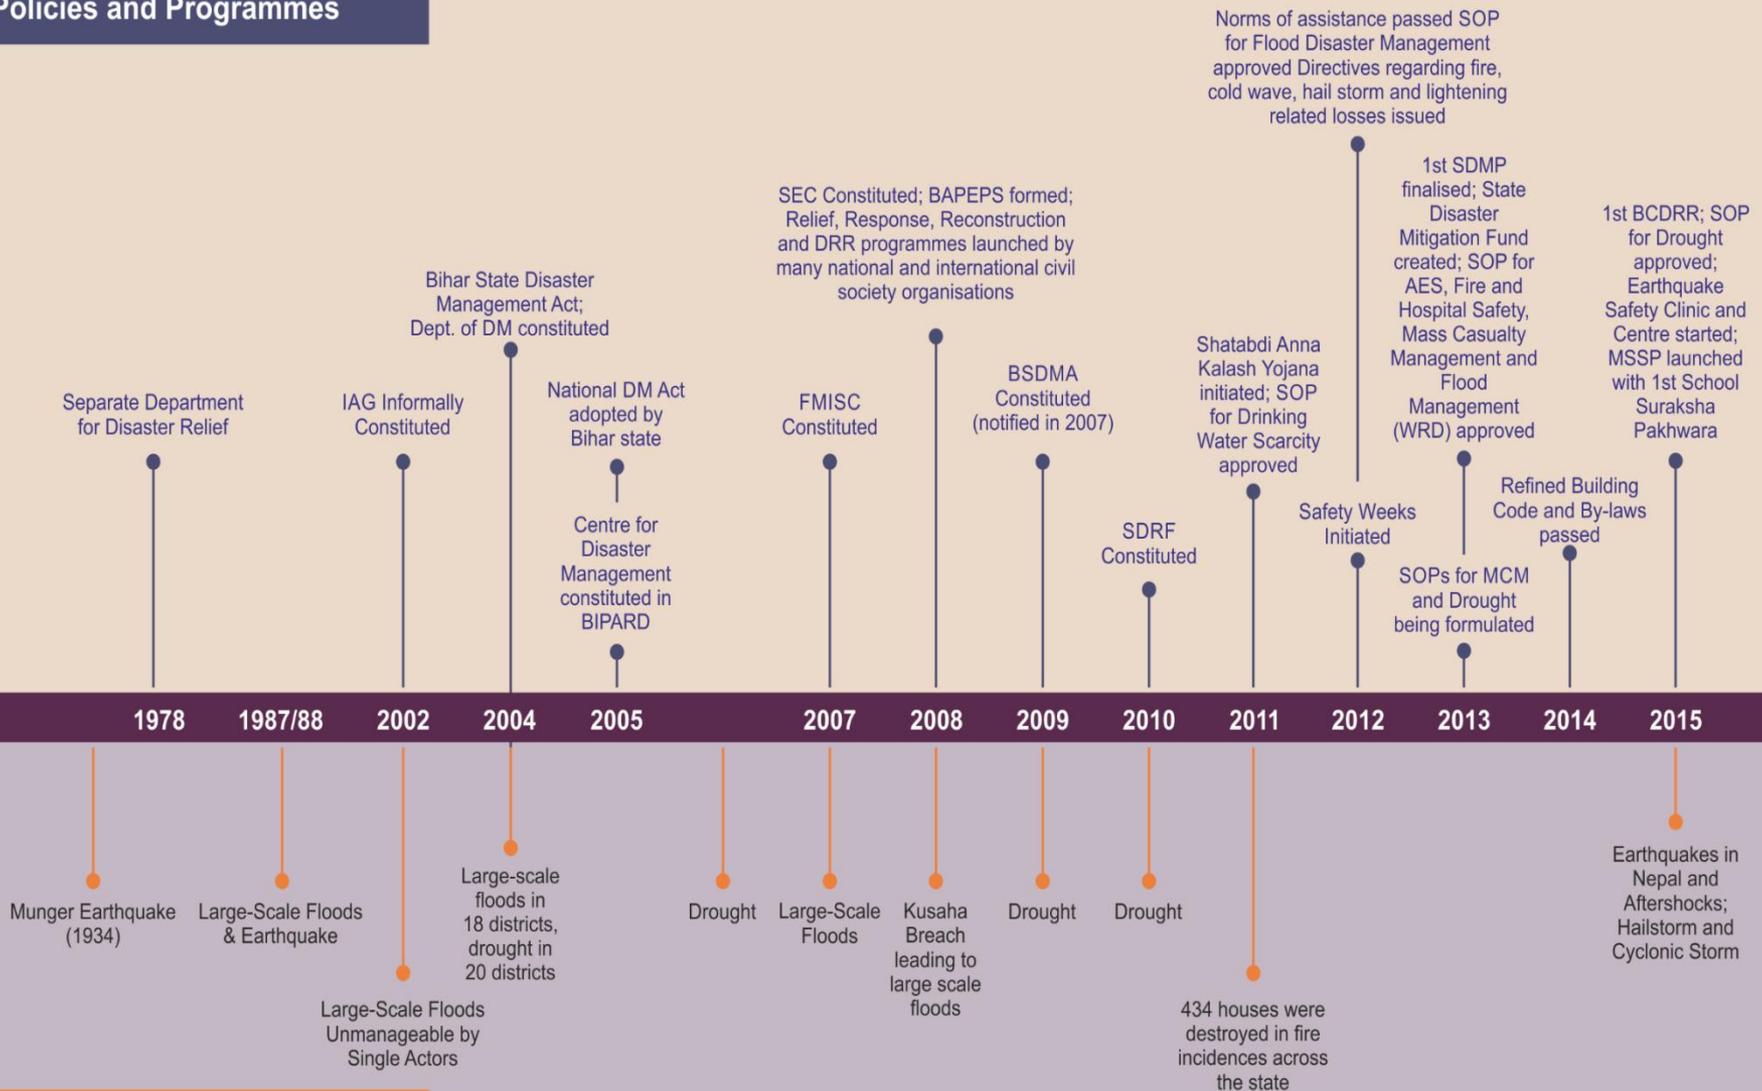

# 2. ROADMAP STRUCTURE

*Principles,  
Approach  
and  
Framework*

# 2 (a) EVOLUTION OF DISASTER MANAGEMENT LANDSCAPE IN BIHAR

## Policies and Programmes

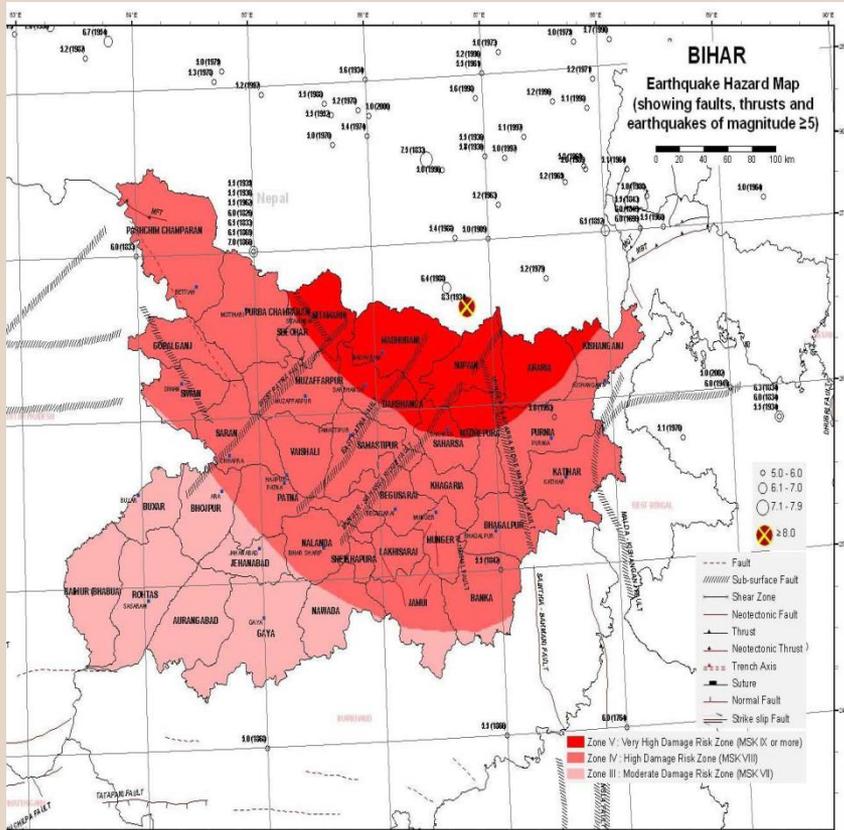

## 2.(b) DISASTER RISK PROFILE OF BIHAR

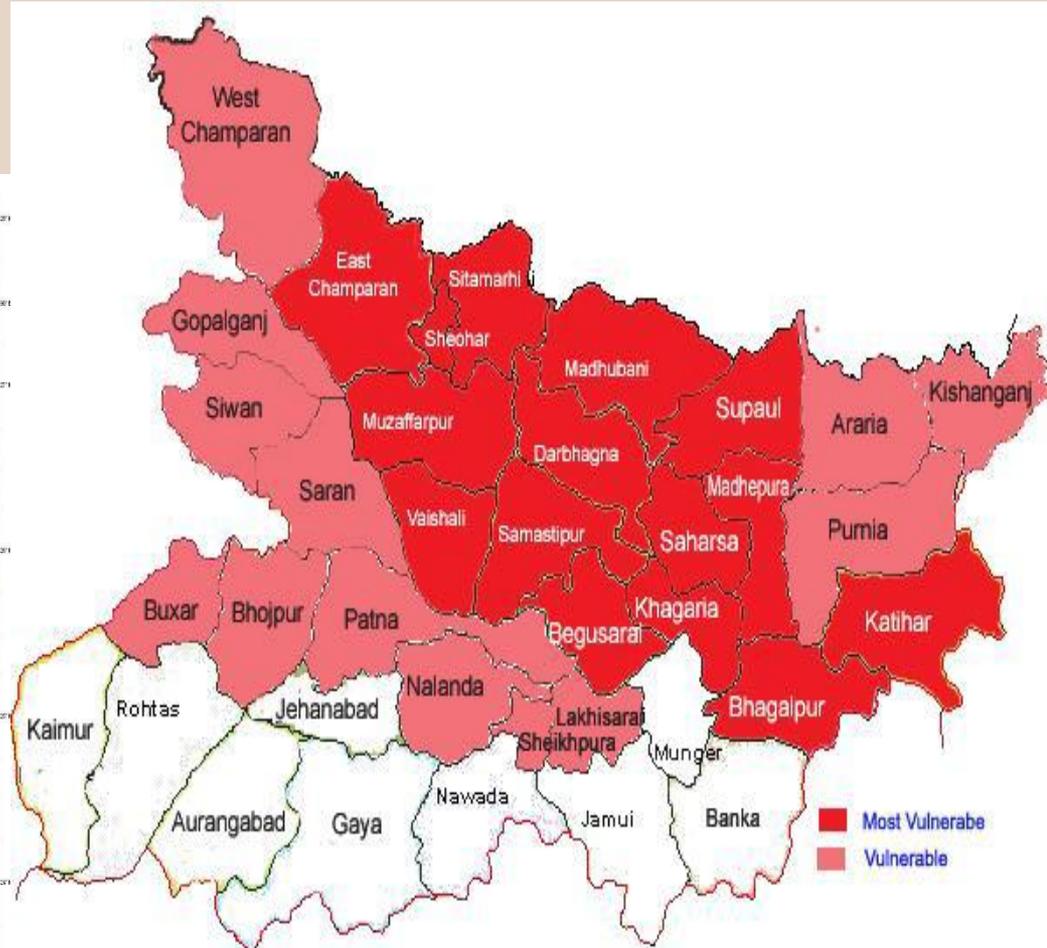

- The hazard profile of the state makes it literally the House of Hazards → Multi-hazard prone
  - the whole of State is earthquake prone → Seismic Zone III, IV, V
  - over 70% of the area flood prone → Rivers originating in Nepal & India criss-crossing Bihar
  - over 30% of the area drought prone and
  - High speed wind prone, Cyclonic storm prone, fire incident prone & gale/hailstorm prone.
  - Boat tragedies/ drowning

## ➤ Earthquake

Total 21.1% area of Bihar in Zone IV  
 Total 63.7% area of Bihar in Zone IV  
 Total 15.2% area of Bihar in Zone V

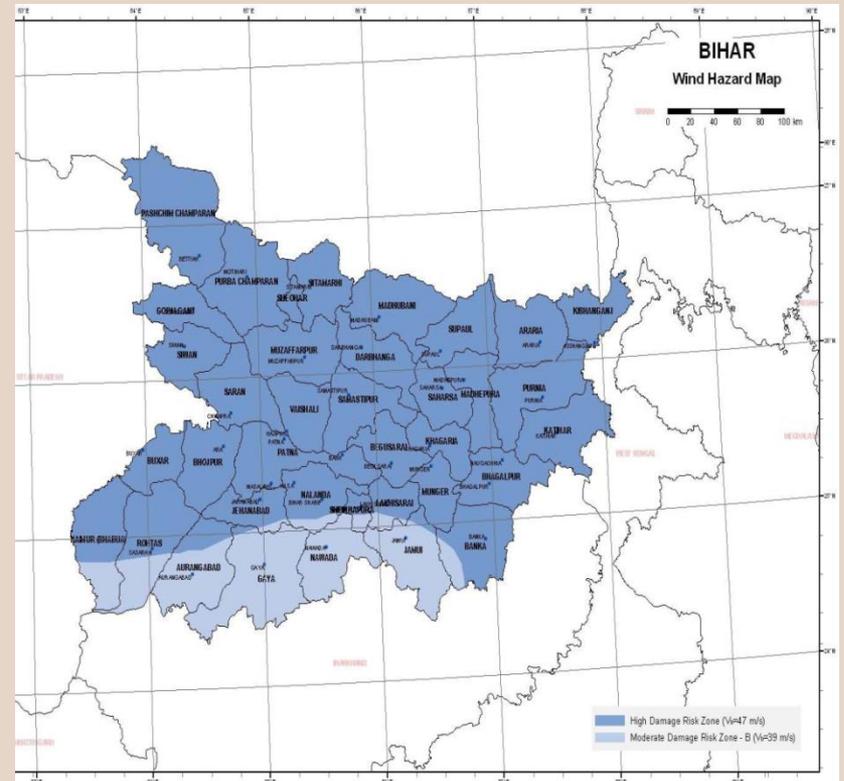

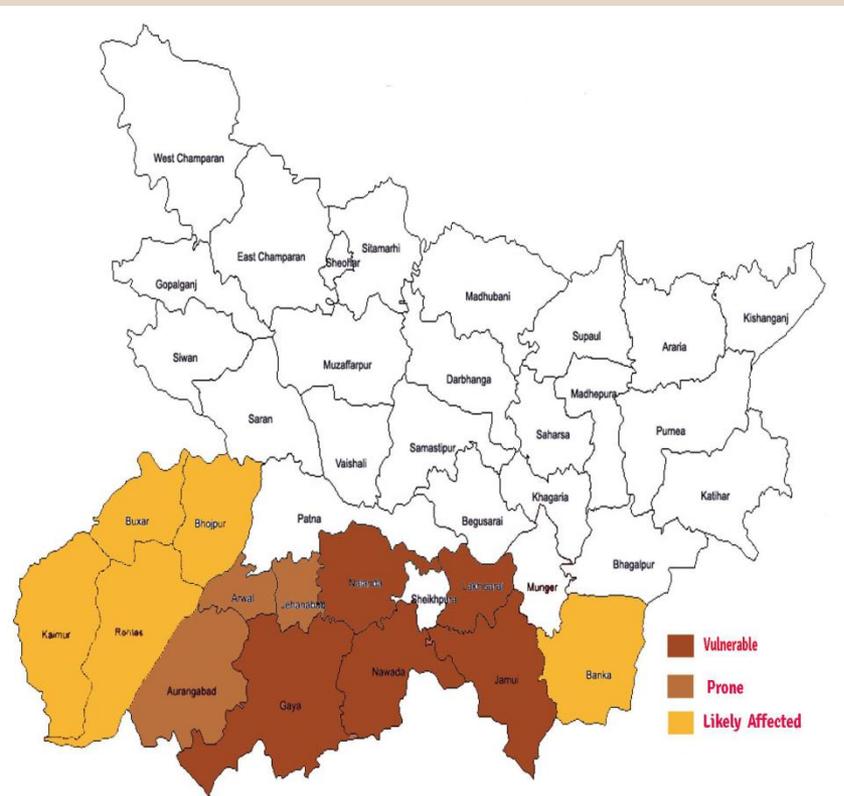

## ➤ Flood— Most Vulnerable : 15 districts

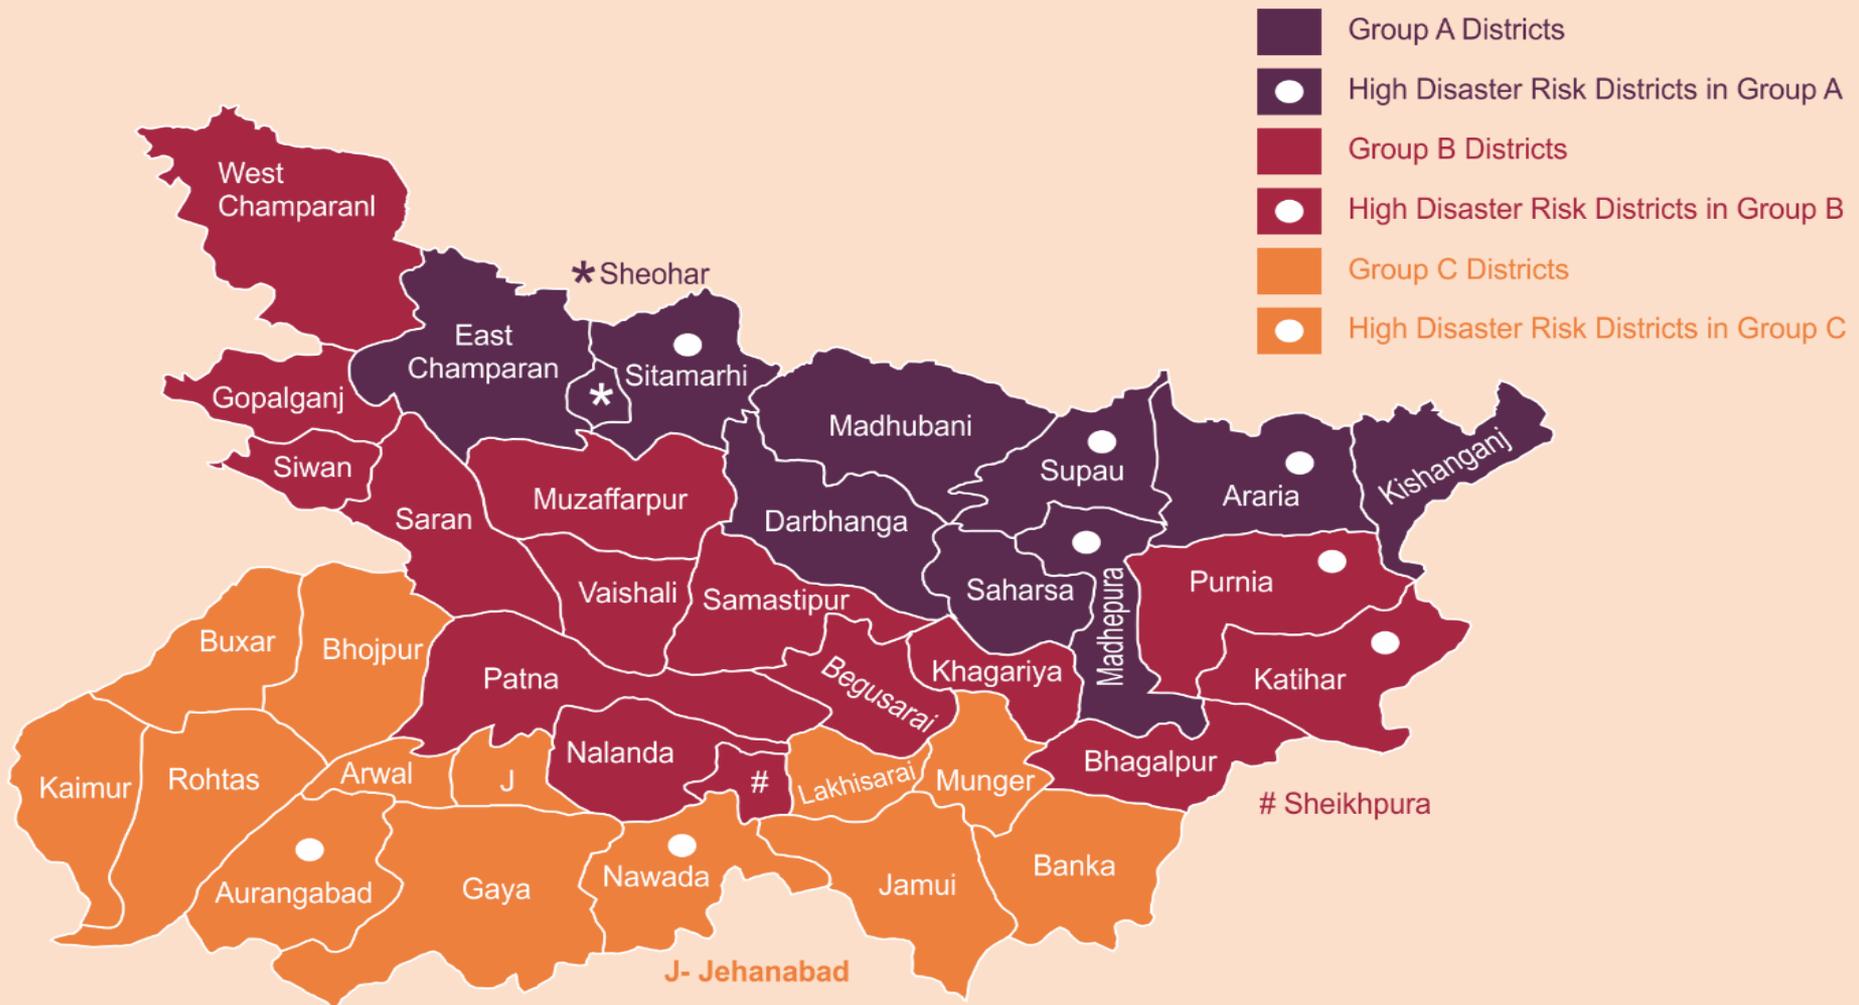

Contd. ....

➤ **Drought** — Most Vulnerable Districts  
 : Gaya, Nawada Jamui, Nalanda,  
 Lakhisarai Prone District : Jahanabad,  
 Arwal, Aurangabad Kaimur, Bhojpur,  
 Buxar, Rohtas, Banka

➤ **High Speed Wind** — Around 86% of  
 area of Bihar prone to cyclone of 47 m/s  
 /Gale /Hail Storm intensity  
 — Around 14% of area of Bihar prone to  
 Cyclone of lesser intensity

# ➤ DISASTER RISK PROFILE OF BIHAR: A SNAPSHOT

### 3. FOUNDATIONAL ELEMENTS OF THE ROADMAP

- 15 Guiding Principles
  - Primacy of rights of at-risk communities
  - Partnerships
  - Participation, Inclusion
  - Resilience in Development
- Approach of Implementation
  - Multi-hazard focus
  - Phasing
- Framework
  - Resilience as the organising principle, goal and means
  - FIVE components – communities and systems

Contd. ....

## 3(a) Resilience : the organising principle

Challenge: How should the specific actions be organised in the DRR Roadmap?

Hazard-wise

SFDRR 7 Targets and/or 4 Priorities

Stages of DRM – Preparedness, Response, Mitigation, Recovery, Rehabilitation

Nature of Action – Policy, Capacity Building, Public Education etc.

Actors and levels of action

Sector/ life aspect impacted by disasters – Health, Education etc.

Geography, Temporal (short term, medium term, long term)

Resilient Entities

Which entities would have to be resilient to achieve the goal of resilient Bihar?

Contd. ....

**Vision**

Disaster Resilient  
Bihar

**Targets and Milestones**

**Foundation Elements – Principles, Approach and Organising Framework**

Resilient  
Villages

Resilient  
Livelihoods

Resilient  
Basic Services

Resilient  
Critical  
Infra-structure

Resilient  
Cities

Specific  
Actions,  
Responsible  
Actor And  
Timeline

**Enabling Policy Environment**

**Implementation Arrangements**

**Monitoring and Evaluation Aspects**

**Budgetary Implications**

## 4. TARGETS AND MILESTONES

### 4 TARGETS

1. Lives lost due to natural disasters in Bihar would be reduced by 75% of the baseline level by 2030.
2. Lives lost due to transportation related disasters (viz. road, rail and boat accidents) in Bihar would be substantially reduced over baseline level by 2030.
3. People affected by disasters in Bihar would be reduced by 50% of the baseline level by 2030.
4. Economic loss due to disasters in Bihar would be reduced by 50% of the baseline level by 2030.

### 17 MILESTONES

- Short term (2020), Medium term (2025) and Long term (2030)
- Planning-related, Policy-related, Systems-related, Risk analysis-related

# 5. SPECIFIC ACTIONS

- FIVE Components
- Conceptualisation
- Characteristics
- Actions: Levels and Types

## Resilient Village and Resilient Cities

Risk Recognition, Analysis and Risk-Informed Planning  
Risk Reduction Measures (Hazard Specific)  
Preparedness for Effective Response  
Capacity Building  
Communication & Awareness

## Resilient Livelihood, Resilient Basic Services and Resilient Critical Infrastructure

Overarching  
Service Delivery Continuity Plans  
Preparedness, Response Recovery  
Capacity Building  
Communication & Awareness

# 5 (a) RESILIENT VILLAGE

**Conceptualisation: Dynamic and proactive social unit capable to assess, address and recover from disasters**

## **Major Characteristics**

- 1. Individuals, groups and communities are aware and recognize the risk.**
- 2. Safe behaviours and practices**
- 3. DRR is mainstreamed in GP plans**
- 4. Vibrant community institutions for risk analysis, communication, preparedness, response and reduction**
- 5. Ability to manage small-scale disasters**
- 6. Access to early warning and emergency services**

# 5 (b) RESILIENT LIVELIHOODS

**Conceptualisation: interplay of means, activities and entitlements by which livelihood practitioners anticipate, cope and recover from disasters and Climate Change**

## **Major Characteristics**

- 1. Sustainable, risk-informed livelihood choices and context-specific production practices**
- 2. Diverse sources of income coming from a wider livelihood basket**
- 3. Capacities and opportunities to recover from shocks and stresses**
- 4. Plan for ensuring the continuity of markets, supply chains, pertinent financial products, and temporary sources of income in case of disasters**
- 5. Access to raw materials/inputs, financial inclusion, backward and forward linkages, and means for processing and marketing for quick recovery**
- 6. Migration is only by choice, is safe and not forced**
- 7. Safeguarding the livelihoods of marginalised group**

# 5 (c) RESILIENT BASIC SERVICES

**Conceptualisation: 7 services (WASH, Food & Nutrition , Health, Education, Housing, School Safety Programme , Emergency Support Function ) which are capable of efficacy in non-disaster times, effective during disasters and recover**

## **Major Characteristics**

- 1. Rights and duties of citizens and line departments**
- 2. Risk-informed annual plans**
- 3. Service Delivery Continuity Plans**
- 4. Pre-positioning**
- 5. Capacities**
- 6. Flexibility in policies and programmes for differential planning**

# 5 (d) RESILIENT CRITICAL INFRASTRUCTURE

**Conceptualisation: 6 bundles (Roads and Bridges, Telecommunications, Power, Dams and Embankments, Transport Systems and Hazardous Industries) which are capable of efficacy in non-disaster, effective during disasters and recover from disasters through BBB**

## **Major Characteristics**

- 1. Rights and duties of line departments, services providers and users**
- 2. Risk-informed annual plans**
- 3. Construction of CI does not create/ worsen disaster risks**
- 4. Business continuity plans (BCPs)**
- 5. Capacities**

# 5 (e) RESILIENT CITIES

**Conceptualisation: Dynamic and proactive social unit capable to assess, address and recover from disasters**

## **Major Characteristics**

- 1. Citizens' and communities' rights and duties**
- 2. Land zoning and urban planning is risk-informed**
- 3. Safe behaviours and practices**
- 4. DRR is mainstreamed in ULB plans**
- 5. Vibrant community institutions for DRR**
- 6. Ability to manage small-scale disasters**
- 7. Access to early warning and emergency services**

## 6. ENABLING POLICY ARCHITECTURE

DRR Roadmap aims to steer the policy architecture of the state further towards strengthening DRR by creating an enabling environment of funds, functions and functionaries for DRR as well as mainstreaming DRR in development through :

- Legal Amendments
- Development of Policies
- Directives for planning and resource allocation
- Guidelines and Manuals
- Norms
- SOPs
- Programmes

# 7. IMPLEMENTATION ARRANGEMENTS

- Existing Institutions
- Proposed Institutions/mechanisms
- Personnel
- Programmes and Systems

# 8. MONITORING AND EVALUATION

Institution	Focus and means of monitoring	Frequency
CMG, headed by CS	<ul style="list-style-type: none"> <li>Strategic Review (Line Departments' presentations)</li> </ul>	<ul style="list-style-type: none"> <li>Annual</li> </ul>
Special Task Force, headed by PS-DMD	<ul style="list-style-type: none"> <li>Annual Resilience Report Card</li> <li>Progress review of Resilient Village and City Programmes</li> <li>On-site stock-taking of select key interventions (for e.g. actions related to capacity building, resilient village and cities programmes, school safety, risk analyses, GP &amp; ULB planning, risk proofing livelihoods, and departments' risk reduction measures) by the team</li> <li>Review of SOPs and guidelines</li> <li>Sharing of progress through BCDRR</li> <li>First mid-term Evaluations of Roadmap Implementation</li> <li>Second mid-term Evaluations of Roadmap Implementation</li> <li>End-term Evaluation</li> </ul>	<ul style="list-style-type: none"> <li>Annual</li> <li>6 monthly</li> <li>6 monthly</li> <li>Post-event</li> <li>Biennial</li> <li>2022-23</li> <li>2026-27</li> <li>2030</li> </ul>
Line Departments, headed by respective PS'	<ul style="list-style-type: none"> <li>Review of plans for: risk analysis, risk-informed actions and Service Delivery / Infrastructure Continuity Planning (SDCP / ICP)</li> <li>Appraisal of implementation of risk-informed developmental planning and related actions and additional risk reduction initiatives undertaken from the Roadmap</li> <li>Review of SDCP / ICP</li> </ul>	<ul style="list-style-type: none"> <li>Before approval of plans</li> <li>As part of routine monitoring</li> <li>Post-event</li> </ul>
Roadmap Implementation Support Unit (RISU)	<ul style="list-style-type: none"> <li>Development of baseline for targets</li> <li>Tracking the progress against the baseline</li> <li>Management of data of the roadmap implementation</li> <li>On-site monitoring of specific actions</li> <li>Development and sharing of analytical reports</li> </ul>	<ul style="list-style-type: none"> <li>2015-16</li> <li>Ongoing</li> <li>Ongoing</li> <li>Quarterly</li> <li>Half-yearly</li> </ul>

Cont.....

<b>DDMA, headed by DM</b>	<ul style="list-style-type: none"> <li>• Review of district plans of departments for: risk analysis, risk-informed actions and BCP</li> <li>• Review of DDMP</li> <li>• Review of Resilient Village and City Programmes</li> <li>• District Resilience Report Card</li> </ul>	<ul style="list-style-type: none"> <li>• Annual</li> <li>• Annual and Post-event</li> <li>• 6 monthly</li> <li>• Annual</li> </ul>
<b>BDO and SDM</b>	Review of Resilient Village and City Programmes	Quarterly
<b>GP / ULB</b>	<ul style="list-style-type: none"> <li>• Review of plans for risk analysis and risk-informed actions</li> <li>• Assessment of implementation of risk-informed actions additional risk reduction initiatives undertaken from the Roadmap</li> <li>• Social audit of the DRR actions by <i>Gram Sabha</i> / ULB general body meeting</li> </ul>	<ul style="list-style-type: none"> <li>• Quarterly</li> <li>• Bi-annual</li> <li>• Annual</li> </ul>
<b>CSOs</b>	Participation of CSOs in all the above mentioned monitoring and evaluation activities.	
<b>Experts / Agencies</b>	Participation in the periodic review and evaluations of this DRR Roadmap	

# 10. ELEMENTS OF THE DRR ROADMAP IN BIHAR DEVELOPMENT MISSION

- The Government of Bihar has notified “Bihar Development Mission” to accelerated the development process through fast track decision making processes in time bound manner.
- Mission has seven resolves and seven submission to be implemented in mission mode to ensure faster execution of seven resolves of the government in next five years

## **Seven Resolves ( SAAT NISHCHAY)**

1. Empower the youth of Bihar and make them self-sufficient
2. Women empowerment and to make them more self-reliant
3. Electricity connection is secured for each household.
4. Piped water would be made available to all homes
5. All weather roads reach each and every doorstep
6. Each household would be equipped with a toilet
7. Expand the opportunities for technical and higher education in the state

Cont...

- **Seven sub-missions focusing on**

- ✓ **Youth**
- ✓ **Drinking water sanitation , Development of villages and cities**
- ✓ **Human Development**
- ✓ **Agriculture**
- ✓ **Industries and occupation**
- ✓ **Infrastructure**
- ✓ **Communication and Brand Bihar**

**The operational leadership for the implementation of this Roadmap would proactively engage with the operational leadership of flagship initiatives in the state like the Bihar Development Mission (BDM) that has been initiated for fulfilment of the State Government “Seven Resolves” (Saat Nischay).**

THANK YOU ....
